pinnacles, brick arches, etc., etc. There are also five plans and elevations of churches, with all the necessary details drawn to scale; also, a railway depot, plans, elevations, and details.

This is perhaps the most useful package in the whole series for the general workman. Price \$1.

Package No. 8, besides containing 60 plans and elevations of various kinds of cottages and other dwellings, has also 123 detailed drawings of miscellaneous designs of a useful character; also 3 plans and elevations for a stable; a tenement-house, and 41 cuts illustrating saw-filing in all its branches.

This package also contains a series of papers on saw-filing that cannot fail to be useful to the operative mechanic. Price \$1.

Package No. 9 contains 78 plans and elevations of building; 36 designs for centre-pieces, cornices, and other plasterwork; 2 churches, stable with all the necessary drawings, and the usual amount of detail drawings; also 7 cuts illustrative of saw-filing, including all necessary descriptive and explanatory matter. Price \$1.

Package No. 10 contains over 30 elevations and plans of hand-some cottages; 3 for churches, one a frame showing all the details and framework; also three stables, a town bank with details of interior finish, showing desks, counters, screens, teller's office, etc., etc. This package also contains 30 illustrations on hand-railing with all necessary text, and the usual amount of detail drawing.

An excellent package. Price \$1.

Package 11 contains a large number of illustrations consisting of cottages; 36 examples of ornamental brickwork; 40 examples of plasterwork, panels, cornices, centre-pieces, etc., etc.; also full-sized details of cottage finish. This package also contains the plans and elevations of a store, with a full set of details, showing front, counters, shelving, cornices, cases for goods, tables, and all other necessary details. There are also a number of designs for gates and fences, and many other useful drawings. This is one of the best packages in the series. Price \$1.

Each of the above packages will contain five, or more, large detail sheets, 22×34 inches, 40 sheets 9×12 inches, of original or selected designs, and 120 pages of reading matter relating to the building and decorative trades.

N.B.—We wish it distinctly understood that all the above matter was published in the AMERICAN BUILDER during the years 1874, 1875, 1876, 1877, and 1878; therefore parties having copies of the BUILDER for those years will have no use for any of these packages.

One or more of these packages will be sent to any address in the United States or Canada, post-paid, on receipt of price.

Send all letters containing money, checks, or post-office orders to CHARLES D. LAKEY, Publisher,

NOTICE.

We cannot furnish any more full sets of "CHEAP DRAWINGS," as our large stock has been almost sold out. We can furnish two sheets, however, which contain over SEVENTY DESIGNS of windows, doors, doorways, chimneys, halls, porches, verandas, newels, dormers, cornices, etc., etc., for ten cents, which is only five cents a sheet. Thousands of persons who have purchased the CHEAP DRAWINGS, as first advertised, are well pleased with them, as they may well be, so great a number never having been offered before for so small an amount. The few hundreds we now have in hand will soon be exhausted, and another chance to obtain the same drawings for a like sum will never again occur, as we do not intend to reproduce another edition of them. Therefore, parties wanting these two sheets should send at once, or it may be too late.

Address, with ten cents enclosed, Chas. D. Lakey, 176 Broadway, New York.
